

Court of Appeals, State of Michigan

ORDER

People of MI v Martelle Brent Palmer

Docket No. 283430

LC No. 07-010774

Mark J. Cavanagh
Presiding Judge

Kathleen Jansen

Elizabeth L. Gleicher
Judges

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

Judge Gleicher dissents and would REMAND to the trial court for a determination of whether a parole detainer warrant was issued for defendant following his arrest on the charges for which he was sentenced in this case. MCL 791.238. If the 123 days served by defendant were not required as service toward the paroled offense, they should be credited toward his sentence for the instant offense.
